## FOR IMMEDIATE RELEASE

### TELEVISA SUES UNIVISION FOR DECLARATORY RELIEF ON INTERNET DISTRIBUTION IN U.S.

July 19, 2006, Mexico City, Mexico - Grupo Televisa, S.A. ("Televisa"; NYSE:TV; BMV:TLEVISA CPO) ("the Company") announced that it has filed a lawsuit today in Los Angeles Superior Court against Univision to obtain a declaratory judgment affirming Televisa's right after December 19, 2006 to distribute in the U.S. over the Internet the television programming that it currently supplies Univision under their Program License Agreement ("PLA"). Televisa said that it is seeking the judgment as it proceeds with its options to build its business in the growing US Hispanic marketplace. The Company also stated that this litigation is separate from existing legal action asserting breaches of the PLA by Univision. That litigation is currently pending in U.S. District Court in Los Angeles.

Televisa is represented by attorneys Marshall B. Grossman of Alschuler Grossman Stein & Kahan LLP (Los Angeles), and Herbert M. Wachtell, Lipton, Rosen & Katz (New York City).

###

*Grupo Televisa, S.A., is the largest media company in the Spanish-speaking world and a major participant in the international entertainment business. It has interests in television production and broadcasting, production of pay television networks, international distribution of television programming, direct-to-home satellite services, publishing and publishing distribution, cable television, radio production and broadcasting, professional sports and live entertainment, feature film production and distribution, and the operation of a horizontal internet portal. Grupo Televisa also owns an unconsolidated equity stake in Univision, the leading Spanish-language media company in the United States, and in La Sexta, a free-to-air television venture in Spain.*
