UPDATE TO THE 2016 ANNUAL REPORT PREVIOUSLY FILED ON APRIL 28, 2017

MEXICO CITY, September 18, 2017 – Grupo Televisa, S.A.B. ("Televisa" or the "Company"; NYSE:TV; BMV:TLEVISA CPO) announced today that it has re-filed its 2016 Annual Report with the Mexican Banking and Securities Commission, or Comisión Nacional Bancaria y de Valores, and the Mexican Stock Exchange, or Bolsa Mexicana de Valores, in order to include the following changes requested by the Mexican Banking and Securities Commission:

1. In the section entitled "Financial Information by Geographic Area and Export Sales" ("Información Financiera por Zona Geográfica y Ventas de Exportación"), we have included a cross reference to Note 25 of the Company's consolidated and audited financial statements as of December 31, 2016, 2015 and 2014, which are attached to the 2016 Annual Report.

2. In the section entitled "Behavior of the Stock in the Stock Market" ("Comportamiento de la Acción en el Mercado de Valores"), we have included a column describing the traded volume of our stock on the Mexican Stock Exchange and the New York Stock Exchange, respectively for each period referred therein.

3. We have attached our Audit Committee's reports for 2015 and 2014 to the 2016 Annual Report, which were already publicly available as they are attached to the Company's Annual Reports for 2015 and 2014, respectively.

As a result of the abovementioned, the updates to the 2016 Annual Report are only related to the manner in which the original presentation of the information was made, however, the figures and results of the relevant period have not been modified or altered.

About Televisa

Televisa is a leading media company in the Spanish-speaking world, an important cable operator in Mexico and an operator of a leading direct-to-home satellite pay television system in Mexico. Televisa distributes the content it produces through several broadcast channels in Mexico and in over 50 countries through 26 pay-tv brands, and television networks, cable operators and over-the-top or "OTT" services. In the United States, Televisa's audiovisual content is distributed through Univision Communications Inc. ("Univision") the leading media company serving the Hispanic market. Univision broadcasts Televisa's audiovisual content through multiple platforms in exchange for a royalty payment. In addition, Televisa has equity and warrants which upon their exercise would represent approximately 36% on a fully-diluted, as-converted basis of the equity capital in Univision Holdings, Inc., the controlling company of Univision. Televisa's cable business offers integrated services, including video, high-speed data and voice services to residential and commercial customers as well as managed services to domestic and international carriers through five cable Multiple System Operators in Mexico. Televisa owns a majority interest in Sky, a leading direct-to-home satellite pay television system in Mexico, operating also in the Dominican Republic and Central America. Televisa also has interests in magazine publishing and distribution, radio production and broadcasting, professional sports and live entertainment, feature-film production and distribution, and gaming.
